TO CAFE 1040

OUR VISION IS SIMPLE. WE WANT TO SEE DISCIPLES MADE IN EVERY PEOPLE GROUP.
OUR MISSION ALLOWS US TO DO THAT. WE ARE EQUIPPING THE EMERGING
GENERATION OF MISSIONARIES TO TELL THE STORY OF JESUS WHERE
IT HAS NEVER BEEN TOLD.

ABOUT CAFE 1040

Cafe 1040 exists to equip the next generation of missionaries to go to the 3.1 billion people who have little to no access to the story of Jesus.

This next generation of missionaries passionately desires to take the Good News to unreached people groups, but they don't know how to get there. They don't know what it takes to serve as a long-term missionary. They don't know what it looks like to live in a place where no one has heard the story of Jesus. They need a guide. They need someone to show them the way. And that's why Cafe 1040 exists.

WHAT WE DO

We run an overseas mentorship program at one of our three overseas locations to equip the emerging generation of missionaries with the clarity and confidence needed to understand how their skills, passions, talents, and abilities can play a part in taking the story of Jesus where it has never been told.

OVERSEAS MISSIONS MENTORSHIP

STUDENTS SPEND 3 MONTHS BEING MENTORED BY AN EXPERIENCED MISSIONARY
WHILE LIVING AMONG AN UNREACHED PEOPLE GROUP

1

PRE-FIELD

MONTHS 1 - 3

Our mentors virtually equip students to be spiritually, mentally, and emotionally prepared for the overseas program while identifying areas of growth and taking steps towards development.

2

OVERSEAS

MONTHS 4 - 6

Students are immersed in an unreached people group inside the 10/40 Window - all for the purpose of equipping the next generation of missionaries with the clarity and confidence needed for long-term work.

3

POST-FIELD

MONTHS 7 - 9

Our mentors help students process and debrief the previous six months. Mentors will work with students to pursue clarity around where God is leading them while creating a clear plan for next steps.

I feel like God really used this program in my life to prune and train me up for the field. I have been passionate about reaching the unreached for a very long time and there were many times I almost went to the field in my own timing.

I can confidently say that this program came exactly in the Lord's timing and also was exactly what I needed. I really can't imagine where I would be or how quickly I would've burnt out on the field if I hadn't."

BRIDGING THE GAP

WHAT WOULD IT TAKE FOR YOU TO CROSS?

THE GAP

We believe the emerging generation is ready and willing to complete the Great Commission. But we know that the process from desiring to live overseas and actually getting there can be long and confusing. There are common obstacles that keep people from serving - a GAP IN THE PROCESS between the desire to go and being sent.

SO WE BUILT A BRIDGE

It is a giant leap from sitting in a church pew to walking through the doors of a long-term sending agency, ready and willing to move your life to the other side of the world. Our training is designed to help move this generation across the gap.

SHARING WITH SAMIR

WRITTEN BY A CAFE 1040 STUDENT

One night our team was praying in our apartment. We took a minute of silence to listen to whatever God was trying to tell us. I started feeling really convicted that I needed to share the gospel with my friend Samir. I had kind of written him off as uninterested. All he ever seemed to want to do is goof off.

After that I heard, "Be still and know that I am God" repeat over and over in my head. I read Psalm 46: "Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth."

After reading the rest of that verse I had no doubt I needed to share.

A little while later the guys were going out for dinner and I was planning to stay home because I was super tired. The first time I had done so the whole trip. As they were walking out the door, Samir stopped in to say hey.

We talked for a bit then I just started asking some questions about what he believed. Basically he felt that all religions were the same - just a bunch of keys that unlocked the same door. I explained to him what Christians believed and what Jesus says about being the only way.

After that, for a long time I really don't remember anything. It feels like a blur. I just remember little snippets of explaining faith, my personal faith, and all it means to me. I really truly believe that the Holy Spirit took over in that time speaking for me. Just another example of how worthy God is for all the praise.

My next memory was I was sitting next to him. He was sitting there saying he was speechless. It was hitting him hard. He asked for a glass of water. I got it, and he downed it. Then asked for another. Halfway through he stopped and saying "Man, this water is so cold and I've had two cups, but I'm still so thirsty."

I just laughed to myself. It felt like an "I gotchu bro" moment from God.

So I asked if he wanted to know why, so we pulled out John 4 - the woman at the well. At verse 13: "Jesus answered, 'Everyone who drinks this water will be thirsty again, but whoever drinks the water I give them will never thirst.

Indeed, the water I give them will become in them a spring of water welling up to eternal life.'" He started to tear up and cry. The conversation ended and he went home saying he never wanted to forget that night.

He said that he was going to go home and read the Bible that someone had given him years ago. A few weeks later, he's still interested and reading and becoming good friends with one of our local friends that is already a believer.

To me this story shows how much God is already working. He could lift up the rocks and stones to praise Him if he wanted. But He chooses to use us. And we don't have to do anything special - literally just be willing to play T- ball when he T's it up for us.

What a good and powerful Father. All the glory and praise to him.
